WHY LEATHES PRIOR?

The Leathes Prior matrimonial department prides itself on offering the highest quality of service to clients. It is headed by Rosalyn Thickett, an outstanding partner who is recognised as a leading specialist in her field.

DIVORCE/SEPARATION

At Leathes Prior we are aware that divorce and separation is a difficult and stressful time. If you have concluded that your marriage has broken down we aim to make the procedure of divorce as simple, swift and amicable as possible whilst ensuring you receive expert and considerate advice.

COHABITATION AND CIVIL PARTNERSHIPS

If you are having problems with the break-up of your relationship with a cohabitant, we can help you resolve any difficult legal issues. Even though the law treats unmarried partners differently to those who are married, we can help you protect your interests.

You may wish to have us prepare a cohabitation agreement or a separation agreement, for example, or you may just want advice on the practical, financial and child-related implications of your position.

CHILDREN

If your relationship has broken down one of the most important aspects of the separation is likely to be your children. At Leathes Prior we will work with you to agree on arrangements which suit all involved and are in the best interests of the children. We aim to do this amicably and swiftly. This can include financial support, contact and residence.

FINANCIAL SETTLEMENT

We know all too well that the division of money and property upon separation can be a difficult matter to deal with. We will help you to agree a financial settlement which is realistic both within divorce proceedings and between cohabiting couples. Our skills will ensure you retain a fair share of those assets jointly acquired during your relationship including property. In addition to this, we can make sure that joint liabilities such as finance agreements and overdrafts become individual responsibilities.
