You spend a lot of time choosing the right house when you move, to make sure that it will fulfill all your needs and changing lifestyles.

We hope you will also take some time choosing the right solicitors.

PERSONAL SERVICE

From the first time you contact Leathes Prior your matter will be allocated to a member of our team who will guide you through to completion of your purchase or sale.

We pride ourselves in providing our clients with a personal service. We will keep you informed as to how the transaction is proceeding. You will not need to repeat yourself every time you contact us or have to navigate your way through a call centre.

However if the person dealing with the matter is on leave there will always be another team member who will be happy to help.
